

Central Florida's first and only
combined ER and urgent care
all under one roof.

We are the place to go when you're not sure where to go — from fevers to fractures and allergies to chest pains, we have you and your family covered. Our combined model means you can leave the decision up to us.

IMPROVED ACCESS

- 24/7 walk-in visits
- Short wait times

COMPREHENSIVE CARE

- Board-certified emergency medicine physicians
- On-site multi-slice CT, digital x-ray, ultrasound
- On-site labs

REDUCED PATIENT COSTS

- Only pay for the level of care you need
- In-network with most major insurance plans
- 70% of patients are billed at urgent care levels
