## In Their Own Words...

We received this very nice email from a daughter whose mother is currently residing at our Edgewater Nursing & Rehabilitation Center, located on the campus of Waterman Village:

*I would like to take the time to tell you how wonderful your facility is. My mother is a patient in your rehab facility and has been there for 5 weeks now. The staff is top notch, from the aides to the administration staff. They all deserve a huge pat on the back for a job well done.*

- Debra

*Meet some of our resident volunteers, who currently work in our Waterman Village Variety Shop:  
Susan, Barbara, and Janet*

## Outpatient Rehab Welcomes New Patients

Did you know that the Waterman Village Outpatient Rehabilitation Clinic is open to the general public? Here's a comment we received from a recent patient:

*Evan is the best therapist I've ever had. I've had more pain-free hours and days than I've had in 3 years.*

For more information about outpatient rehabilitation services, contact Evan Burke, DPT, at (352) 383-0051, ext. 303.

## What'd We Do in August?

- The Dinner Bunch went to the Blackwater Inn in Astor, while the Lunch Bunch visited to Angelo's in Leesburg
- Residents enjoyed a poolside cookout
- Vocalist Shannon Rae performed in the Garden of Life Fellowship Hall
- Golden Nugget Saloon dance
- "Out of the Norm" traveling painting class came by for a stress free, fun and creative mobile painting art adventure where residents created their own masterpieces

Even if you're not ready to move to residential living at Waterman Village for a few years, we encourage you to plan ahead and place your name on our residential living wait list called the "In The Wings" club. As a member you will have access to special offers and events, including...

- ✓ Use the Waterman Village Fitness Center
- ✓ Dinner reservations at the Waterman Village Bistro
- ✓ Invitations to events and outings with our residents

In fact, 20 new people joined just last month and close to 30 "In The Wings" club members attended our August birthday, anniversary and newcomers party (right)! Email [wvmarketing@watermanvillage.com](mailto:wvmarketing@watermanvillage.com) or call Lorena at (352) 385-1126 for more information about joining the club.

## Waterman Village Welcomes New Residents!

Last month, 8 new residents moved into our residential living area from North Carolina, as well as Mount Dora, Kissimmee, Summerfield, and Tavares, Florida.

Many people believe they should wait to move to a retirement community until they *need* it. But there are so many benefits to moving while you can still benefit from it! Yes, Waterman Village offers security, activity opportunities and maintenance-free living. But many new residents also tell us that one of the main reasons they chose to move to Waterman Village early is to have **peace of mind**. They realize Waterman Village offers convenient and better health care coordination as they age by having independent living, assisted living, nursing care, rehabilitation, memory care, home care and a pharmacy all on campus. **Give us a call to schedule a visit to see for yourself what makes Waterman different.**

**Sat., Nov 4**

**8 a.m. Registration**  
**8:30 a.m. Zumba Warm-up**  
**9 a.m. Walk/Run**

Join us to raise funds supporting the Alzheimer's support group and other dementia-related programming at Waterman Village. \$25 per person. Contact Jocelyn Jones at (352) 383-0051, ext. 300 or [jjones@watermanvillage.com](mailto:jjones@watermanvillage.com).
