

THE ESSENCE CLUB

BY RESERVATION ONLY

Are you a caregiver for a spouse or someone special ?

WATERMAN VILLAGE now has a limited number of openings for a short term respite care for you. The bonus feature is that your loved one will have supervised companionship for lunch, a variety of activities and socialization with a few other residents while you are busy.

This activity has been a pilot program for a few months and has been highly successful.

The club meets once a month for 4 hours at a reasonable cost.
