

## NEW EDGEWATER ADMINISTRATOR

**DYLAN BARR, NHA**  
EW Health & Rehab  
Administrator

I graduated from the University of South Florida with a degree in Long Term Care Administration and have experience working in both for-profit and non-profit communities. Throughout my career, I have worked in Skilled Nursing Facilities ranging in size from 39 to 190 beds and have managed over 100 employees at these facilities.

I am very pleased to have the opportunity to serve our residents here at Waterman Village.

My role focuses on ensuring regulatory compliance while also providing an exceptional experience for our residents, whether they require short-term rehabilitation due to an acute illness or long-term care. We strive to make your stay a pleasant one.

I look forward to meeting everyone and being part of the Waterman Village family!
