

LIVING YOUR BEST LIFE™

MEMORANDUM

To: ALL RESIDENTS AND EMPLOYEES
From: ANDREW DUJON, President/Chief Executive Officer
RE: Village Voice, Home Health & More
Date: May 9, 2024

Good afternoon,

I hope this finds you all doing well! How many of you have seen our May 2024 Village Voice? If you haven't yet, I encourage you to find one and see all the wonderful events done in April. The Mad Hatter's Golf Tournament, Taste of the World, Pump it Up for Parkinson's, Camp Boggy Creek Coffee Social, Coloring with Your Neighbors, and a Passover celebration were some of the month's highlights.

As previously discussed, we are still searching for a new Home Health Administrator. We have one strong candidate at this time and believe we may have another coming in for an interview. Monique Coleman has done an excellent job managing the Administrator and Director of Nursing roles in the interim. I truly appreciate her efforts.

I know we have discussed expanding Outpatient Rehab into the Home Health space, and we still plan to do this. However, due to the challenges they currently face and the upcoming CHAPs survey, we will not make any changes to the space until after that is completed. You can look to the end of this year before we begin the expansion efforts.

We are also still searching for a new Executive Chef for Lakeside. We have received a couple of qualified candidates and hope to finalize a decision shortly.

We apologize for the delay in the updated pricing structure letter for certain amenities we offer at Waterman Village. We will be sharing this information with you next week.

The WV Ladies of Inspiration Brunch had a fantastic turnout today. Thank you to the IL Activities team, the Culinary department, and all who helped produce another well-received event.

I hope you all have a delighted Mother's Day! Enjoy your special day!

Have an excellent rest of your day!
