

LIVING YOUR BEST LIFE™

MEMORANDUM

To: ALL RESIDENTS & EMPLOYEES
From: ANDREW DUJON, President/Chief Executive Officer
RE: Wellness Center & More
Date: September 5, 2024

Good afternoon,

I hope this finds you all doing well. A question about the fee structure for the Wellness Center services has been raised. The Wellness Center staff can provide you with an initial assessment and equipment overview. They will help you develop a program that is right for you and provide three follow-up sessions. These services are complimentary. Should you want personal training, various packages are offered for a fee. Group classes are also offered complimentary unless otherwise stated.

We value your continued dedication to minimizing germ transmission through hand hygiene and staying home when unwell. Should you test positive for COVID-19 and require meal delivery or related services, please contact extension 225, where Sandi will help you coordinate arrangements.

Next week, we will place a rendering of the remodeling plan for the Lodge at the entrance near the reception desk. Please check it out so you can see what's coming. The expected start date for construction will be the beginning of January 2025.

If you haven't yet signed the bi-weekly housekeeping amendment and need a copy, please contact Emma at extension 239, who will gladly assist you.

The Culinary team continues to work on developing a new menu for Savor. They are progressing well, and I believe you will be pleased with what's coming.

We will be undertaking several projects during the last quarter of 2024. A few of the projects you can expect to see begin are the walking path around Lake Margaret, steps from the parking area to the mailboxes at Lakeside, and the resurfacing of the shuffleboard courts and lawn bowling area.

Have a wonderful day!
