

April 8, 2025

Lisa Fisher, New Vision for Independence, will facilitate a round table discussion. She will share some of the strategies that have made New Vision support groups successful. Bring your ideas to share.

Some starter thoughts: What you want from participation with this group. Strategies and tools you may have identified independently to manage low vision effectively. Personal experiences, both positive and negative. Self-assessment of vision changes.

Where: MPR

When: April 8, 2 PM

Check in starts at 1:30

 VIP is a support group of VISUALLY IMPAIRED PERSONS who meet monthly to get information and help to improve their daily living to the greatest possible extent.

Caregivers, Family or Friends are encouraged to attend. Please ensure that your friends or neighbors with low vision know about this meeting.
