Planting the Seeds for a Positive Tomorrow

The Giving Tree, established by the Waterman Communities Foundation, is a simple way for you to make a direct, positive impact on the quality of life of those whom Waterman Village serves.

Funds received through The Giving Tree program are used to support the services and mission of Waterman Village – helping residents live their best lives possible.

For a tax-deductible gift of \$300 or more, your name (or designee's name) will be placed on a plaque on the Giving Tree, located in the Lodge Lobby.

Contact the foundation today for more information on how you can make a difference in the lives of residents at Waterman Village:
