

LIVING YOUR BEST LIFE™

MEMORANDUM

To: ALL RESIDENTS & STAFF
From: ANDREW DUJON, President/Chief Executive Officer
RE: Wellness, Town Hall Reminder, & More
Date: January 22, 2026

Good morning,

I hope this finds you all doing well.

Our Walking Club has already logged an impressive 15 miles. Congratulations and thank you to both residents and staff for your participation and dedication.

So far in January we have had 15 new referrals to the Waterman Village Home Care division. It's great to see how folks are utilizing the resources available to them.

We are proud to announce that Edgewater has been recognized as one of the Best Nursing Homes for 2026 for both short-term and long-term care by US News & World Reports. This achievement reflects the outstanding care and commitment of our team.

On Friday, February 6, assistance will be available for residents who would like help registering their golf carts. The Mount Dora Police Department will be on-site to support this process.

Two more displaced residents are returning home this week so we continue to make strides on getting folks back home.

Because I have to keep reminding people to slow down within the community, we are just going to look into putting speed bumps throughout both campuses.

Please remember that our Town Hall meeting will take place next week at 3:00 PM in the Chapel. Residents are encouraged to submit any questions in advance to Emma Stockman at estockman@watermanvillage.com.

Have an excellent rest of your day.
